

BALAJI R

Chennai, Tamil Nadu | [linkedin.com/in/balaji-r-a2171b301](https://www.linkedin.com/in/balaji-r-a2171b301)

PROFILE

Computer Science and Engineering undergraduate with experience in enterprise technology, AI research, and data-driven projects. Interested in business analytics, product, market research, and consulting. Strengths include structured research, source validation, data interpretation, and clear communication.

EDUCATION

Chennai Institute of Technology, Chennai | B.E. Computer Science and Engineering | Expected 2028

EXPERIENCE

Larsen & Toubro Construction, Chennai | Networking & Cybersecurity Intern | May-Jun 2026

- Studied enterprise LAN operations, routing, Active Directory, and security practices across business-critical environments.
- Worked with FortiGate, CrowdStrike, Netskope, SCADA, and Microsoft Defender in an enterprise cybersecurity setting.

Centre of Excellence - AI & ML, Chennai Institute of Technology | Project Intern | Jun-Aug 2023

- Developed a webcam-based contactless heart-rate and breathing-rate monitoring prototype using remote photoplethysmography and computer vision.
- Worked with a hybrid 3D-CNN and LSTM/GRU pipeline for physiological signal extraction and prediction.

SELECTED PROJECTS & RESEARCH

FALCON - Fake News Trend & Credibility Analysis | Academic project

- Analysed linguistic patterns and credibility signals to assess online content, with fact-checking modules and a trend dashboard to make findings interpretable.

Smart Wearable for Preliminary Blood Donor Eligibility | Published Indian patent application, Dec 2025

- Application 202541103641 A describes a wrist-worn system designed to support preliminary donor eligibility assessment; publication does not indicate patent grant.

SKILLS

Research and analytics: Secondary research, competitive analysis, company profiling, source validation, trend analysis, structured problem solving

Tools: Excel, PowerPoint, Python, SQL, NoSQL, dashboards; working knowledge of C, C++, and Java

Communication: Research summaries, presentation development, analytical writing, team collaboration

LEADERSHIP & CREDENTIALS

- Organizing team member, TECHSPRINT'25 Hackathon at Chennai Institute of Technology.
- Member, Google Developers Group CIT App Development Team and Centre of Excellence AI & ML.

Selected certifications: Google Foundations: Data, Data, Everywhere; Cisco Introduction to Data Science; CCNA Introduction to Networks; IBM Artificial Intelligence Fundamentals
